

GSI Report Number:

Plant Health and Seeds Inspectorate	DATE
Growing Season In	spection
Dear Sir / Madam,	
Bear Sir / Waddin,	
The results attached relate only to the conditions of the plan	its at the time of examination.
For exports to countries with regulations on Potato Cyst Nen	natode you should refer to the results of
soil samples.	
Suitability for export will be subject to pre-export inspection	and may depend on other conditions of
entry to the importing country.	
Yours faithfully	
<0573
